GIFTSHIRTS

THE GIFT THAT KEEPS ON GIVING

GIFTSHIRT

A GIFTSHIRT is a complimentary tailored shirt plus so much more. Similar to a gift certificate, each one is personalized with your name and the receivers' name. The GIFTSHIRT arrives with a small slip of fabric and a button inside. Best of all, it includes

a visit by a DROBE stylist who will take measurements and help to select the fabric & style options for the FREE tailored shirt.

The GIFTSHIRT packs an amazing punch! It starts when you give the sophisticated envelope, containing the GIFTSHIRT. Next we arrive, reminding them this special gift is from you. When their custom shirt is delivered, again they're reminded of you. And the gift continues each time it's worn, with every compliment received.

Consider giving GIFTSHIRTS to clients, existing and prospective. It's rare when you can separate your gift from all others while providing something so unique and appreciated. Of course GIFTSHIRTS are terrific for loved ones, co-workers, and family as well.

GIFT CERTIFICATES

Gift certificates are available in \$50 increments. They can be used toward the purchase of any of our products. Exquisitely packaged, every gift certificate is personalized with your name and the receivers'.
